 - 4) The extension of a Non-conforming Use when such extension will substantially make the Non-conforming Use more in character with its surroundings.

The Board of Zoning Appeals may impose such requirements and conditions as they may deem necessary for the protection of adjacent properties in the public interest.

- d. Non-conforming Lots. The construction of a conforming structure and/or the conduct of a Permitted Use shall be allowed on any lot of record which has an area and/or lot width less than that required for such structure or Permitted Use in the Zoning District in which the lot is located. Whenever the fact of such unauthorized variance in plans or false statement shall be established to the satisfaction of the Zoning Inspector, the Zoning Certificate shall be revoked by notice in writing to be delivered to the holder of the void Certificate upon the premises concerned, or in some conspicuous place upon said premises. Any person who shall proceed thereafter with such work or use without having obtained a new Zoning Certificate, in accordance with these Regulations, shall be deemed guilty of a separate violation thereof. Violations shall be punishable as provided in Part 6 of this Section.
3. Invalidity of a Part. If any chapter, section, subsection, paragraph, sentence, or phrase of these Regulations is for any reason held to be invalid by a Court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of these Regulations.
4. Repeal of Existing Resolutions. All resolutions, regulations, or parts thereof inconsistent with or in conflict with these Zoning Regulations and all additions and amendments thereto are hereby repealed by the adoption of these Regulations.
5. Violation. In case any building is, or is proposed to be located, erected, constructed, reconstructed, enlarged, changed, maintained, or used, or any land is, or is proposed to be used in violation of these Regulations or any amendment or supplement thereto, the Board of Township Trustees, the County Prosecuting Attorney, the Zoning Inspector, or any adjacent or neighboring property owner who would be specially damaged by such violation, in addition to other remedies provided by law, may institute injunction, mandamus, abatement, or any other appropriate action, actions, or proceedings to prevent, enjoin, abate, or remove such unlawful location, erection, construction, reconstruction, enlargement, change, maintenance, or use.
6. Fine.
